

Department of Computing

Welcome to the First Year

Head of Department

Professor Michael Huth

www.doc.ic.ac.uk/~mrh

Deputy Head of Department

Dr Naranker Dulay

www.doc.ic.ac.uk/~nd

Director of Undergraduate Studies

Professor Paul Kelly

www.doc.ic.ac.uk/~phjk

Welcome to the Department of Computing

Paul Kelly

Director of UnderGradute Studies

Five tips for a happy life

Tips for a happy life (1)

Don't chase every mark

Study (& love) the things you like most and let the marks look after themselves

Remember that **60% is a good mark!**

Tips for a happy life (2)

Have dinner every evening with your friends

Tips for a happy life (3)

When you get tired/stuck... **STOP!**

- Go to bed, take a break, ...

If/when you get back to work you'll solve your problems in a fraction of the time

Tips for a happy life (4)

Book time off in advance to do other things, e.g.

- Society activities
- Eating out
- Theatre, cinema, gigs, opera, ...
- Visit London (<https://www.visitlondon.com/>)

Tips for a happy life (5)

Be kind, tolerant, and supportive

You are part of an ecosystem, so work with each other to make the whole more than the sum of the parts

Your voice

- As partners, you have an important say in what/how we teach and how the Department and College operates
- If you have ideas, comments, suggestions...
 - Respond to requests for input
 - Come to open meetings
 - Contribute to your EdStem year group forum
 - Talk to your reps
 - Talk to me, the TFs, your Personal Tutor, ...
- When voicing your ideas/opinions please remember that **you** are part of the community, e.g.
 - *I don't expect **they** will ever do this, but...* **X**
 - *Why don't **we**...* ✓

First Year Coordinator

Dr Konstantinos Gkoutzis

www.doc.ic.ac.uk/~kgk

Huxley 306

- ***Also: "Introduction to Computing Practical 1"***
 - *Thursday 05/10, 15:00-16:00 (Huxley 308)*
