Deputy director of careers service - Richard Carruthers

Ric
Ca

Will be met multiple times through university

What is offered by the career service

The Imperial careers website provides information on career plans to gain experience and construct applications.

[Link to Imperial careers website](#)

The website is also the entry point to the jobs life portal. Set up jobs life profile via website.

Employer Engagement events

The department provides many engagement events. The biggest events are career fairs.

Autumn Term Careers Fairs

Finance & Banking Careers - Thursday 05 October 2023

Consulting Careers - Thursday 12 October 2023

Life & Health Sciences Careers - Monday 16 October 2023

Engineering & Technology Careers - Thursday 19 October 2023

General Careers Fair - Thursday 26 October 2023

Seminars and workshops

Also runs seminars and workshops to explore career areas and technical parts such as mastering a CV, constructing cover letters and online tests.

Various sessions exist that are all advertised and bookable through jobs life.

Essentials

- Discussion based seminars exploring core knowledge • Typically 50 - 60 minutes

Labs

- Highly interactive practical workshops • Typically 90 - 120 minutes

Discoveries [↗](#)

- Sector specific placement and internship pre-recorded information and resource links.

Appointments [↗](#)

Jobs life can be used to book 1 to 1 appointments. Staff provide guidance to explore career options and internships. Can book up to one working day in advance for anything career related. Last 25 minutes and can be booked from 7 am.

Imperial website useful links [↗](#)

Imperial Success Guide [↗](#)

Contains information on how to study effectively.
